January 2022

Once again a new beginning.....

I hope you all had a wonderful holiday season filled with happiness and joy!!!!

It was very hectic for me for a number of reasons but I did set aside some time to visit with old friends and enjoy some good food, drink, and company.

This month will start a new journey for me, I am having a chronic problem address... as a result I will be out of commission most of the month of January and maybe some of February. It will all depend on the healing process.

If you need to get in touch with me e mail will be the best method but don't be alarmed if it takes a few days for me to respond. All is well.... just need a little maintenance

If you need something please get in touch with me before the end of the year. As of January 1st I will have to take a few weeks off for a medical procedure but I'll be back. Plus I need a short rest.

Stay safe and I hope to hear from you soon!!!
